

PACIFIC BIRD® FEATURED ON THE DIELINE

{The Dieline, 2011}

We are proud to announce that our recently launched packaging was featured on the well-known design industry blog, The Dieline. As the most visited website on packaging design in the world, The Dieline is devoted to the art of brand packaging; it defines and promotes the world's best packaging design. Pacific Bird and Supply Company is honored to have been showcased on www.thedieline.com.
