

PACIFIC BIRD® MEALWORM FEEDER IS A MUST HAVE! {Wild Bird, 2012}

Pacific Bird® was published in *Wild Bird* Magazine in the January/February 2012 in the issue. This edition features the annual Backyard Roundup, which is an overview of some of the latest and greatest backyard birding products on the shelves. Our extremely popular Mealworm Feeder was identified as one of the top products to add to your birding buffet. Pacific Bird and Supply Company is thrilled to have been included in the mix!
